

Annual General Meeting (2023-24)

All supporters of the Ruth First Educational Trust are invited to an informal meeting to review activities in the year ending 31 July 2024 and discuss priorities for the future.

This is an opportunity to get to know this year's Ruth First Scholar, Nafisa Roza, and to hear her views on the current situation in southern Africa. Roza is taking an MSc in Developmental Psychopathology. There's more about her on the RFET website:
